AN ACT to amend Tennessee Code Annotated, Title 10, relative to public records having commercial value in any county having a charter form of government with a population in excess of eight hundred thousand (800,000), according to the 1990 federal census or any subsequent federal census.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 10-7-506(c), is amended by adding the following language at the end of subdivision (5):

Provided, however, the provisions of this subsection shall also apply in any county having a charter form of government with a population in excess of eight hundred thousand (800,000), according to the 1990 federal census or any subsequent federal census in accordance with the provisions of subdivision (6).

SECTION 2. Tennessee Code Annotated, Section 10-7-506, is further amended by adding the following language as a new subdivision (6):

(6) In any county having a charter form of government with a population in excess of eight hundred thousand (800,000), according to the 1990 federal census or any subsequent federal census the county mayor, the assessor of property or the public

records commission of such county may establish and impose for the reproduction of computer generated maps or other similar geographic data that was developed with public funds, reasonable fees subject to approval by the county legislative body.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.

AN ACT to amend Tennessee Code Annotated, Title 10, relative to public records having commercial value in any county having a charter form of government with a population in excess of eight hundred thousand (800,000), according to the 1990 federal census or any subsequent federal census.
